Donating to the Parish

The current situation continues to have a serious impact on donations to many charities. The Diocese has set up an online donation facility on the diocesan website (www.dromorediocese.org) where you can donate to this parish or to clergy support, on a one-off or a monthly basis.

Parishioners who choose to use their weekly envelopes should retain them and return them when public masses resume, or contact the parish office to arrange a secure delivery to the office.

New Parish email address

Please note that the parish has a new email address:

dromoreparish@dromorediocese.org

Any emails using the old address will be forwarded to the new address and we will still receive them.

The parish office and the halls

will be closed to the public, but we will still respond to phone calls and other messages. We thank all parishioner who have cooperated successfully with our procedures to limit the spread of the virus over the past months. We urge all our parishioners to stay at home and avoid all non-essential journeys. The rigorous controls are required to protect everyone while we prepare for vaccination.

Trócaire Lenten Campaign 2021

"Here are my hands, hold them. Please don't leave South Sudan alone. We need your prayers. We need your support. We need your love." Fr. James Oyet Latansio, South Sudan Council of Churches.

Trócaire's Lenten campaign for 2021 tells the stories of two families in South Sudan whose lives have been impacted by conflict. Awut and Ajak are shining examples of resilience, friendship and solidarity. This Lent we hear not only about the enormous challenges they have faced, but also about how they support each other through these challenges.

This past year has brought many challenges to parishes and communities around Ireland, and the impact of Covid-19 continues to be felt by many. We are continually humbled by and grateful for the generosity shown by you and your parishioners. Now more than ever, families like Awut and Ajak's need our compassion and our support as they continue to carry their immense burdens with dignity. This year, the Lent campaign is part of UK Aid Match, meaning public donations given between 17 February 2021 and 16 May 2021 will be doubled by the UK government, up to £2m. Furthermore, if a donor signs up for a monthly gift, or increases their monthly gift, before the 16th of May 2021, up to three of their instalments will be matched! We will be able to support thousands of people in South Sudan to grow enough food to feed their families. Don't forget that donations will only be matched up until the 16th May. We are awaiting the arrival of Trócaire boxes and will be looking at methods to distribute these in line with the pandemic restrictions.
