World Day of Prayer for the Care of Creation (1st September)

"This World Day of Prayer offers to individual believers and to the community a precious opportunity to renew our personal participation in this vocation as custodians of creation, raising to God our thanks for the marvellous works that he has entrusted to our care, invoking his help for the protection of creation and his mercy for the sins committed against the world in which we live." (Pope Francis). This day marks the beginning of the Season of Creation which runs to the feast of St Francis of Assisi (1 September to 4 October). The theme for this year's celebration is "Restoring our Common Home" and we focus on how we can restore our planet which faces great threats due to human activity. A short leaflet is also available at the doors of our churches
