St Vincent de Paul

Dear Friends, it's that time of year again when we think of those less fortunate than ourselves in our community. This past year has been difficult, but more so for those facing financial and social hardship. It is up to us all to try and alleviate their suffering: the local St Vincent de Paul Society acts as a channel for that aid. Owing to the pandemic SVP has seen its income plummet and we are pleading most earnestly for your support in the coming weeks. This year we will not be physically distributing goods, but instead providing families with vouchers to be redeemed in local stores. Some individuals have been offering us their "Spend Local" vouchers, but we cannot accept them. If you so desire, you could use these vouchers for your own benefit and contribute the savings to St Vincent de Paul. So please be as generous as you can. God bless you.
