This workshop provides a gentle, safe and comforting space to help those bereaved before or during the pandemic to better understand their feelings, sensitively unpack the layers of grief their loss has brought and learn how to respectfully carry grief and embrace life again.

Workshop Facilitator: Father Hugh Lagan SMA

Fr Lagan is a priest with the Society of African Missions and a chartered clinical psychologist. He has led retreats, workshops and trainings internationally on psychological and spiritual well-being, positive change, trauma, mental health and resilience.
